### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is granted for (1/40) second foot to be diverted at all times and with the condition that applicant may divert an amount not to exceed 1/4 second foot at such times as the water from the springs, together with the run-off of snow water, would not if undisturbed, reach Stone House Canyon and be available for prior rights.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1/40 cubic feet per second.

Actual construction work shall begin on or before May, 6, 1913.

Proof of commencement of work shall be filed before June, 6, 1913.

Work must be prosecuted with reasonable diligence and be completed on or before August, 6, 1913.

Application of water to beneficial use shall be made on or before August, 6, 1914.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before September, 6, 1914.

WITNESS MY HAND AND SEAL this 6th. day of March, 1913.

Cancelled because of failure to file

proof of commencement of work

JUN - 7 1913

State Engineer.

W. M. KEARNEY

State Engineer.
